Chinkering-Chee flowers and Bulbs have no rival

This picture is a true photograph of the blooms, of 50 bulbs which were planted late in April, and came into bloom as shown above in early December.

Chinkering-Chee flowers when ordered to be shipped to Europe go by special process and they arrive there in perfect condition.

To England 7/6, to Ireland 8/6, to Continental places 9/6 and delivered free to their destination.
